

ESCONDITE DEL ARDACHO. Las Guillermas

Year: 2014. Red wine.

Designation of Origin: D.O.Ca Rioja.

Location: Viñaspre (Álava). RIOJA ALAVESA

Varieties: Tempranillo (0.4 hectares) and Viura (0.22 hectares)

Rootstock: Rupestris du lot.

Vine Spacing: 2.3 m x 1m

Conduction System: 100% Goblet.

Climate: Mediterranean influence in 2014.

Surface Area: 0.62 hectares.

Soils: Soils characteristic of the narrow valley bottoms that cross the territory of Rioja Alavesa from north to south and flows into the Ebro River. They are soils with good depth, greater than 150 cm, with longitudinal slight slope that promotes drainage. Specific areas of the plot are composed of stones from the erosion of higher reliefs, marly gravel. 400 meter altitude.

Viticulture: Own vineyard worked under minimal intervention and reasonable viticulture. Minimal mechanical and manual tillage. Age of 65 years.

Harvest: 100% by hand in 15 kilo boxes. October 12.

Elaboration: Spontaneous fermentation in open containers of different capacities, whole-cluster, light punching down, and aging in second-use French oak barrels for 9 months without racking.

Bottling: End of July 2014 without clarification or filtration.

Nº of Bottles: 1.340 bottles, 0.75l.
