# NABAL ROBLE

---

## TASTING NOTES

*Full red robe, intense red colour with violet gleams due to its own youth.*

*On the nose has a fruity base, with personality, freshness and outstanding fineness. Oak barrel hints as time goes by.*

*Full bodied, tasty and rich. Powerful and fresh (fruit and acidity) well assembled with a round, firm tannin. This wine is well-balanced, the fruit very good and persistent. Great structure and complexity.*

*Wine Serving Temperature: 15-17 °C*

*Wine Pairing: Delicatessen, semi-cured cheese, oily fish, meat, roast lamb. Suitable for mushrooms and stewed fish. Great with all kinds of pasta and perfectly matches snacks and tapas.*
